# Explanation of Terms

**How criteria were established:** Some factors are judged as positives, some as negatives, depending on whether or not the “average” camp is expected to meet that criteria. For example, all camps – not just the “best” camps—should have 100% of their dues paid on time. Therefore, the highest point value for this category is zero points; points are deducted in judging if dues have not been paid on time. However, not all camps would be expected to provide speakers to other camps. Therefore, this value is always a positive number, starting from zero and going up. Eligibility period for all categories is May 1– Apr 31.

1. **Membership Growth.** The key element of a camp’s survival. List your total membership as of last June 1 on line 1a. List the number of new members gained on line 1b. Do not include transfers from other SCV camps.
2. **Membership Retention.** List the number of members lost through non-payment of dues. Do not include losses due to death or transfers to other camps.
3. **Newsletters.** List the number of newsletters your camp published last year. Contributions to and support of a combined camps newsletter are considered the equivalent of a camp newsletter.
4. **Timely Submission of Dues.** All dues become payable on Aug. 1. National dues are in arrears as of Sept. 1, however this date is subject to change by the GEC (as stated in the SCV Constitution.) This date determines the points in this category. Both Division and National dues must be paid on time to score in this category. Points are deducted for each partial or whole month the dues are late. Paying camp dues is considered submitting payment for at least 75% of the current members of the camp.
5. **Attendance at Conventions.** Indicate the number of members who attended your Division Convention last year. Enter the number of members who attended the National Convention last year.
6. **Regular Monthly Meetings.** Indicate the number of regular monthly meetings conducted by your camp.
7. **Programs at Meetings.** Indicate the number of meetings in which your camp had a “featured” program. This could be a local author, speaker, historian, film on some WBTS subject, etc.
8. **Memorial Services.** These include graveside services at a local cemetery where Confederate soldiers are buried; services held as a special event at a local church or synagogue, or similar events. It does not include brief memorial events held during regular camp meetings, or attendance at memorial services conducted by other camps, UDC, etc.
9. **Annual Report.** The annual report is due at GHQ and Division not later than July 1. Check [www.scv.org](http://www.scv.org) for the proper format.
10. **Division or National Project Participation.** Participation in a Division or National special project. Participation could include fund-raising or significant amounts of members’ time. Some examples: Stand Watie Scholarship Fund (National), Heritage Defense Fund (National), Supreme Court Vigil (Texas Division), Flag Defense Project (Mississippi Division). List each project.
11. **Local Project Participation.** These are special projects or events established at the camp level. Examples: school historical programs, recruiting at state fairs or gun shows, Confederate Ball or cotillion, etc. Projects must support SCV goals by advancing the cause of Confederate heritage; general community service projects are not acceptable.
12. **Speakers or Programs.** Did your camp provide a speaker or special program to another camp or organization? Examples: Camp members who give programs on WBTS at Civil War Round Table forums, or similar. List the number of such speakers/presenters, up to 3 speakers.
13. **Sponsorship.** Does your camp sponsor a special unit? Examples: Camp color guard that marches in local parades, re-enactor units, living history units, etc. The camp must actively sponsor these units.
14. **Training.** Did your camp conduct or participate in formal training for new camp officers? This is normally done at Brigade or Division level, but a camp can conduct its own program. The program must be established in writing, with formal presentations, and at least several hours spent on the training of each officer.
15. **Website.** Does your camp actively maintain a website? It must be regularly updated and provide basic, up-to-date membership to current members and potential applicants. If “yes”, show URL.
16. **Meeting attendance.** What percentage of your members regularly attend camp meetings? You should maintain a sign-up roster for each camp meeting.

**Tie Breakers.** In the event of a tie, the answers to the following two questions will be used to determine the winning camp. If a tie still exists, the camp with the highest percentage of positive growth will be the winner.

- A) How many H. L. Hunley JROTC Awards did your camp present?
- B) Does the camp maintain a Facebook Page? Provide the name of the page.
