INTRODUCTION

Purpose

The purpose of this *Texas Division Awards Manual* is:

- a. to augment the current *National SCV Awards and Insignia Guide*;
- b. to identify the National and Division awards for which members of the Texas Division of the Sons of Confederate Veterans (SCV) may be eligible;
- c. to identify Division awards for which non-members may be eligible;
- d. to inaugurate new Division awards;
- e. to define the applicable details for each award, including eligibility and nomination deadlines.
- f. to institute the guidelines for the Division Awards Committee;
- g. to provide standardized Division Award forms;
- h. to record annual individual and Camp winners of major Division awards; and
- i. to provide protocol guidelines for wearing various levels of medals, badges, etc.

General Guidelines

Both Division and National award nominations are to be sent to the Division Awards Committee Chairman for further processing. It is the responsibility of the nominator to read the applicable portions of the on-line Division and National Awards Manuals and to provide all required information, on the correct form (Division or National), including name of recipient (as listed on the official SCV roster; not his common nickname), his camp name and number, and sufficient justification for the level of award proposed. SCV membership number is desirable, especially in the case of common names or when a “Senior” and “Junior” are in the same camp. Pay particular attention to any minimum membership time required for award eligibility, which is measured as of the date of the Division Reunion at which the award is to be presented. The Awards Committee will research previous awards for the years 2010 and on, where we have records. Otherwise the Committee has neither time nor responsibility to research incomplete information, nor to transcribe provided information to the proper form. **If a deserving compatriot spends a full year supporting the Division and the SCV, it is a reasonable expectation for the nominator to spend a few minutes properly preparing the award nomination form.**

The completed nomination form should be submitted (scanned attachment to e-mail or USPS mail) to the Awards Committee Chairman, for processing and distribution to the rest of the Committee, in accordance with the Awards Calendar. The chairman’s contact information is listed in this manual and on the Division website. **Telephone or other verbal requests, or a simple list of names and proposed awards cannot be accepted.**

Division-level Cross awards are for exceptional and consistent performance, above and beyond what is expected of every member, and nominations should be limited to maintain the prestige of these awards. Division-level awards should reflect consistent contributions at a higher level (Brigade and Division), not just “time in service” and contributions solely at the Camp level.

They are NOT “Good Conduct” medals for regularly attending meetings or participating in an occasional local event. A camp may consider purchasing camp-level Bronze or Silver Crosses for this level of contribution.

Even those who are deserving of higher awards are expected to work their way up the levels, Bronze > Silver > Gold. Nominations that “skip” one level will be considered on a case by case basis if there is sufficient justification, but a Gold Cross will very rarely be awarded to someone who has never received even a Bronze Cross.

Camps are expected to maintain the prestige of the Division-level Cross awards by keeping the annual number down to a reasonable level. As a general guideline, limit the total Division Crosses to no more than 20% of a camp’s membership or 10 Crosses, whichever is lower. Similarly, annual Honor awards should be limited to no more than 3 awards per camp. An exception may be considered for 1-time special situations, such as a Division reunion host camp which had contributions from a larger than normal percentage of the membership. The Awards Committee will not unilaterally “cull” excess nominations but reserves the right to return all nominations back to the originator and request that he resubmit only those that will fit under a reasonable “cap”. Camps that wish to bestow more Bronze and Silver Crosses or Honor Awards can purchase these as Camp-level awards.

There is no rule that an officer cannot nominate himself if an award is otherwise deserved, but since they are often reluctant to do so, Brigade officers are expected to assure that Camp officers in their jurisdiction receive any warranted recognition, while Division officers are expected to do the same for Brigade and other Division officers.

Camp Awards Committee

Each Camp is encouraged to establish a Camp Awards Committee to review the awards listed herein, and make recommendations for those which their Camp, individual members, or applicable non-members are eligible. A committee resolves the issue of a deserving camp officer in charge of recommending awards not wanting to nominate himself. The committee recommendations, along with all relevant background information, should then be forwarded to the applicable Camp, Brigade, or Division Executive Council (DEC) officer who is authorized to make the actual nominations.

Camps are encouraged to initially recognize all members deserving of an award because of their participation in previous years, then consider members with more recent service. Camps should spread their awards over a number of years, rather than clustering them all into one year, both to maintain member interest and to keep within the “cap” guidelines for Cross and Honor awards.

SECTION 1: COORDINATION WITH NATIONAL AWARDS

Use in Conjunction with National Awards Manual

This manual is designed to be used in conjunction with the *National SCV Awards and Insignia Guide* as posted on the national SCV website. An electronic copy of the current *National Guide* may be downloaded from the SCV web site at <http://www.scv.org/new/forms-and-documents/awards-manual/>. An electronic copy of this *Division Awards Manual* may be downloaded from the Texas Division web site <http://scvtexas.org/texas-division-awards>

Summary of National Awards

Any member of the Texas Division may be recommended for a National award by his Camp, Brigade or Division Commander, although the formal nomination may have to be made at a higher level. Nominations shall be made on the applicable form and submitted to the Division Awards Committee Chairman, who shall review all nominations for required information and then submit them to the Division Commander for concurrence and forwarding to the National Awards Committee Chairman. The rules and guidelines for each National medal or award are set forth in the current *National SCV Awards and Insignia Guide*, as posted on the National web site. An appropriate certificate accompanies each medal and award. The medals and awards, in the order of importance by classification, starting with the highest classification are as follows:

- (1) Our Highest Honors
- (2) National Merit Awards
- (3) Local Merit Awards
- (4) National Achievement Awards (Competitive)
- (5) Certificates

Order of Precedence of Texas Division Medals with National Medals

Medals awarded by the Sons of Confederate Veterans should be worn in the following order or priority, with the highest medal worn first (top row on the inside and proceeding to the wearer's left and additional rows as needed). Insignia medals are worn at the same level on the right. See Appendix III of this Manual and the *National SCV Awards and Insignia Guide* for further guidelines. While one may wear all medals to which they are entitled, most observers find excessive medals as too gaudy, so one should consider wearing just the highest awards in each category.

1. Medal(s) awarded by the National level of the Sons of Confederate Veterans, in the order specified in the *National SCV Awards and Insignia Guide*;
2. Next should be medal(s) awarded by the Military Order of the Stars and Bars (MOS&B);
3. Next should be Texas Division medal(s) in the following priority:

SCV Commendation Medal

(Note: this is a National medal, but awarded at the Division, Brigade, or Camp level)

Deo Vindice Medal

Texas Confederate of the Year Medal

Texas Division Gold Cross for Meritorious Service

Texas Division Silver Cross for Meritorious Service

Texas Division Bronze Cross for Meritorious Service

Full Guardian Medal

Other Division, Brigade, or Camp-awarded medals

SECTION 2: TEXAS DIVISION INDIVIDUAL AWARDS SCV MEMBERS

Deo Vindice Award

Purpose: The *Deo Vindice Award* is the highest award that is bestowed by the Texas Division to an individual. It is awarded to a member of the Texas Division for long and outstanding service to the Division.

Number of Awards: Only one award may be presented annually, but there is no requirement that the award be presented.

Eligibility: A nominee must be a current Texas Division SCV member and must have been an SCV member and demonstrated outstanding contributions to the SCV for at least five years. An individual may receive this award only once. (See Appendix II for previous winners.) There is no requirement that the recipient must have first received the *Texas Confederate of the Year Award*, or other SCV awards to be eligible for the *Deo Vindice Award*.

Selection Process: By 1 April each year, the Chairman of the Division Awards Committee will notify each member of the Division Executive Council (DEC) that nominations are due for this award. Each member of the DEC is permitted to nominate one candidate annually. DEC members may solicit suggestions for nominations but must select and endorse the one submitted. Each nomination must be made on the “Division SCV Member Awards Nomination Form”, accompanied by a narrative of at least 50, but not more than 150 words, explaining why the nominee is deserving of the award. All nominations must be submitted no later than 15 April. The Division Awards Committee Chairman shall then prepare a ballot, with a summary of accompanying narratives, which will be sent to each member of the Division Executive Council by 19 April. The ballot will list all candidates for this award. Completed ballots must be returned to the Division Awards Committee Chairman by 26 April. The nominee receiving the largest number of votes will be declared the winner. In case of a tie, the nominee with the longest continuous SCV membership will be declared the winner.

Form of Award: Engraved plaque and *Deo Vindice Medal*. The medal will be a gold-colored replica of the Great Seal of the Confederacy, with a light blue ribbon.

Cost of Award: The cost of the award will be borne by the Texas Division SCV.

Presentation: The *Deo Vindice Award* will be presented at the annual Texas Division Reunion, by either the Division Commander or the Division Awards Committee Chairman.

TEXAS DIVISION SCV AWARDS MANUAL

Texas Confederate of the Year Award

Purpose: The *Texas Confederate of the Year Award* is presented to a member of the Texas Division for truly outstanding service to the Texas Division since the last Division Reunion. (It is NOT in recognition of years of service to the Division, or as a “secondary award” to the *Deo Vindice* award.) This is the second highest award that is bestowed by the Texas Division to an individual.

Number of Awards: Only one award may be presented annually, but there is no requirement that the award be presented.

Eligibility: A nominee must be a current Texas Division SCV member and must have been a member of the SCV for at least three years. An individual may receive this award only once. (See Appendix II for previous winners.) There is no requirement that the recipient must have first received any other SCV award to be eligible for the *Texas Confederate of the Year Award*.

Selection Process: Same as for the *Deo Vindice Award*. (See above description.) Each DEC member may nominate one candidate annually for each award.

Form of Award: Engraved plaque and *Confederate of the Year Medal*. The medal will be a silver-colored replica of the Great Seal of the Confederacy, with a light blue and white striped ribbon.

Cost of Award: The cost of the award will be borne by the Texas Division SCV.

Presentation: The *Texas Confederate of the Year Award* will be presented at the annual Texas Division Reunion, by either the Division Commander or the Division Awards Committee Chairman.

Lifetime Achievement Award

Purpose: The *Lifetime Achievement Award* is a prestigious Texas Division award, to be presented to the family of a deceased Compatriot who provided long and outstanding service to the SCV and the Texas Division before his death.

Number of Awards: This award will normally be limited to one to two recipients, but there is no requirement that it be presented annually. However, at the discretion of the Division Awards Committee and Division Commander, additional awards may be given when justified by special circumstances.

Eligibility: The deceased nominee must have been a member of the Texas Division, whose distinguished service met the intent of this prestigious award, and it is desirable that the nomination be made within a year or two of his death. There is no requirement that the nominee received high-level Texas Division or National awards during his lifetime, nor does the receipt of such awards preclude this posthumous recognition of his service. Since this is a “Lifetime Achievement” award, a nominee is generally expected to have made significant contributions to the SCV for at least 10 years prior to his death. Exceptions will be on a case-by-case basis.

Selection Process: By 1 April each year, the Chairman of the Division Awards Committee will notify each member of the Division Executive Council (DEC) that nominations are due for this award. Each member of the DEC is permitted to nominate one suitable candidate annually. Each nomination must be made on the “Texas Division SCV Member Awards Nomination Form”, accompanied by a narrative of at least 50, but not more than 150 words, explaining why the nominee is deserving of the recognition. Qualified nominees will be submitted for DEC balloting, using the same process and schedule as that for the *Deo Vindice* and *Confederate of the Year* awards, except each DEC member may vote for two Lifetime Achievement nominees. After the DEC voting is complete, the Awards Committee, with concurrence of the Division Commander, will select one to three of those receiving the highest number of votes and best meeting the distinguished service requirements, unless circumstances merit additional awards. The nominating DEC member and applicable Camp Commander will be asked to notify the Compatriot’s family and to invite them to the Division Reunion. Family expenses will be the responsibility of the family or the deceased Compatriot’s Camp.

Form of Award: An engraved plaque:

The Great Seal of the Confederacy at the top and the words:
PRESENTED TO
(NAME OF RECIPIENT)

In Recognition of Outstanding
Achievement and Dedication
To The Cause
Texas Division,
Sons of Confederate Veterans
(Year)

Cost of Award: The cost of the plaque will be borne by the Texas Division SCV.

Presentation: The plaque will be presented to a family representative at the annual Division Reunion by the Division Commander, or at his discretion, by the DEC officer making the nomination. If a family representative cannot attend the Reunion, it should be presented to the family by a Division or Brigade officer, with an appropriate ceremony at a meeting of the deceased Compatriot's Camp.

SCV Commendation Medal

Purpose: The *SCV Commendation Medal* is a National award that may be presented at the local level to members for meritorious service at the Camp, Brigade or Division level. This is the highest ranking National medal that can be given without the approval of the Commander-in-Chief.

Number of Awards: There is no annual limit on the number of *SCV Commendation Medals* that may be awarded within the Division, although individual Camps are expected to maintain its prestige by limiting them to one or two per year.

Eligibility: Any SCV member in good standing is eligible. Camp, Brigade and Division officers may be given this award for exceptional leadership skills in their respective offices. The medal should be awarded only for service above and beyond that which would normally be expected of SCV members.

There is no requirement that a recipient of the *SCV Commendation Medal* must first be awarded any of the three levels of the *Texas Division Crosses for Meritorious Service*, although it would normally be expected that an individual would progress up the ladder of medals in the order of importance.

Selection Process: Any member of the Division Executive Committee or any Camp or Brigade Commander may make nominations for the *SCV Commendation Medal*. Each nomination must be made on the current "National Awards Nomination Form", available on the National SCV web site, and sent to the Texas Division Awards Committee Chairman for further processing. All nominations must be submitted no later than 1 May. The Division Awards Committee shall review the nominations submitted and submit its recommendations to the Division Commander by no later than 7 May. Recommendations for *SCV Commendation Medals* must be approved by the Division Commander, before

being forwarded to the National Awards Committee for processing.

Form of Award: An *SCV Commendation Medal* and a certificate.

Cost of Award: If given at the local level, the cost of the award will be borne by the nominating Camp or Division. Awards given by the Commander-in-Chief will be paid for by SCV General Headquarters. Contact General Headquarters for information on purchasing this award at the local level at (800)-380-1896 ext. 205 or mktadm@scv.org

Presentation: The *SCV Commendation Medals* are presented at the National Reunion. If the recipient is not present at the National Reunion to receive the award in person, the award should be presented by a Brigade officer at an appropriate local ceremony. If the award is being purchased by the Camp, the award should be presented by a Brigade officer or Camp Commander, at an appropriate local ceremony.

Texas Division Crosses for Meritorious Service

The *Texas Division Crosses for Meritorious Service* are awarded to Texas Division SCV members for OUTSTANDING AND EXEMPLARY patriotic achievement and community service of statewide or local importance to the community and/or to his SCV Camp, Brigade or Division, which furthers the ideals outlined in General Steven D. Lee's "Charge" to the Sons of Confederate Veterans.

THE MEDAL SHOULD BE AWARDED FOR SERVICE ABOVE AND BEYOND THAT WHICH WOULD NORMALLY BE EXPECTED OF SCV MEMBERS. For example, regular attendance of Camp meetings is expected, so a **Cross** should be reserved to recognize those who make significant contributions beyond consistent meeting attendance and occasional event participation. As a minimum, they should regularly participate with their Camp in area parades, cemetery ceremonies, etc. **Those considered for higher levels of the Cross should regularly participate in events beyond their immediate Camp area, i.e., support SCV activities around their Brigade, the Division, and nationally.** COMPATRIOTS SHOULD NOT BE NOMINATED FOR A HIGHER AWARD SIMPLY FOR "TIME IN SERVICE", BUT RATHER HIGHER AWARDS SHOULD REFLECT CORRESPONDING HIGHER ACHIEVEMENT. Even for those who are deserving of higher awards are expected to work their way up the levels, Bronze > Silver > Gold.

Activities which may be considered as patriotic achievement and community service are as follows:

1. Active participation in the local Camp, Brigade, Division and/or National Society of the Sons of Confederate Veterans, for at least the minimum time applicable to the award; including, but not limited to working on SCV Camp, Brigade, Division or National projects; serving on a Camp, Brigade, Division or National committee; serving as an Officer at the Camp, Brigade, Division or National level; regular attendance at Brigade, Division or National events; and/or providing significant financial support to these activities or other heritage defense issues.
2. The Division Awards Committee may also consider:
 - a.) The member's participation as a leader in non-SCV organizations at the local, state, or national level (such as patriotic, military, veterans, religious, business, civic, professional, genealogical, hereditary, historical, school, Scouting, or youth sports organizations), if that outside participation portrays the SCV in a favorable light. To insure the non-political nature of the Sons of Confederate Veterans, political involvement or activity may not be considered toward qualification of the award.
 - b.) Authorship of genealogical, patriotic, military, historical or hereditary books, magazines, historical or genealogical society journals, internet forums, newsletter articles, letters to the editor; and/or presentation of speeches which are designed in part to:
 - 1) Correct distorted historical facts about the Confederacy; the War for Southern Independence; causes for the war; or Reconstruction;
 - 2) Portray a favorable impression about the South, the Confederacy, the Confederate soldier or statesman, Confederate or Southern icons (such as the Confederate Battle Flag), or the Sons of Confederate Veterans.

- 3) Educate the public (including SCV members) about the true history of the South, the Confederacy, the Confederate soldier or statesmen, the War for Southern Independence and/or Reconstruction.
 - 4) Assist members or the public in genealogical research to locate and identify Confederate ancestors or their graves.
 - 5) Convey information about the individual war efforts of Confederate Veterans or the status of Southern civilians during the conflict and/or during Reconstruction.
- c) Actively participate in the management of a Confederate Veterans Cemetery or care for Confederate veteran graves in public or private cemeteries under the Guardian Program; **-or-**
 - d) Actively participate in a Civil War Reenactment Group or in the establishment, restoration or defense of Civil War Monuments, flags, plaques, markers, etc.

It shall be the duty of the SCV Texas Division Awards Committee to ensure that the *Texas Division Crosses for Meritorious Service* medals are awarded not only to Division, Brigade, and Camp officers, but also to deserving individual members at the Brigade and Camp levels.

Number of Awards: There is no limit to the number of Crosses awarded by the Division annually, but each Camp is expected to stay within the annual limits described in the General Guidelines.

Selection Process: Nominations for the *Texas Division Cross for Meritorious Service* may be made by any member of the Division Executive Committee or any Camp Commander. Each nomination must be made on the “Division SCV Member Award Nomination Form”. All Division-level nominations must be submitted no later than 1 May. The Awards Committee shall submit its award recommendations to the Division Commander, no later than 7 May. Division-level awards are presented only at the annual Division Reunion. Brigade-level and Camp-level Silver and Bronze awards can be made at any time and do not require the Division Commander’s approval.

Typically, it is awarded to speakers at Camp, Brigade or Division meetings, who may or may not be SCV members. It may be presented to a committee chairman or member; an officer; convention delegate, or member for a job well done; to a restaurant where the camp meetings are conducted; to a business (or individual) which promotes the cause of the Confederacy, etc. This award will normally not be given at the Division level, since the *Honor Award* will be presented.

SECTION 4 - DIVISION INDIVIDUAL AWARDS – NON MEMBERS

Lucy Pickens Award

Purpose: The *Lucy Pickens Award* is the highest honor given by the Texas Division SCV to women who make an OUTSTANDING AND EXEMPLARY contribution to support the Cause. This award is named for Lucy Pickens, known as the "Queen of the Confederacy". Her husband, Colonel Francis Wilkinson Pickens, served as a wartime governor of South Carolina. Lucy Pickens joined the Confederate effort, selling jewels given to her by the Russian royal family in order to outfit the "Lucy Holcombe Legion." Her likeness appeared on three issues of Confederate currency--the one-dollar bills of 1862 and 1863 and the one-hundred-dollar bill of 1864--making her one of the few women whose likeness has appeared on a national currency, a tribute usually reserved for heads of state.

Number of Awards: This award will be limited to one recipient per year, but there is no requirement that it be presented annually. However, at the discretion of the Division Awards Committee and Division Commander, multiple recipients (usually limited to three) may receive the award when justified by outstanding work of a committee or other special circumstances.

Eligibility: This award may be presented to a lady who has provided exemplary service to the Sons of Confederate Veterans, United Daughters of the Confederacy, other historical and patriotic organizations, or who has otherwise made outstanding contributions to further the ideals outlined in General Steven D. Lee's "Charge" to the Sons of Confederate Veterans.

An individual may receive this award only once. (See Appendix II for previous winners.)

Activities which may be considered as contributing to exemplary service include the following:

- 1.) Active participation and leadership in applicable historic / patriotic organization(s) for at least three (3) years, with significant contributions to projects that support the "Charge";
- 2.) Authorship of genealogical, patriotic, military, historical or hereditary books, magazines, historical or genealogical society journals, internet forums, newsletter articles and letters to the editor; and/or speeches which are intended to:
 - a) Correct distorted historical facts about the Confederacy; the War for Southern Independence; causes for the War; or Reconstruction;
 - b) Portray a favorable impression about the South, the Confederacy, the Confederate soldier or statesman, Confederate or Southern icons (such as the Confederate Battle Flag) or the Sons of Confederate Veterans or other organizations supporting the honor of the Confederacy.
 - c) Educate the public (especially young students) about the South, the Confederacy, the Confederate soldier or statesmen, the War for Southern Independence or Reconstruction.
 - d) Assist in genealogical research to locate and identify Confederate ancestors or their graves. And/or assist in caring for the graves of Confederate veterans.

- 6.) Establishment, restoration or defense of Confederate monuments, flags, plaques, markers, etc.

Selection Process: Each member of the Division Executive Committee (including Brigade-level officers) may submit one nomination annually for the Lucy Pickens Award. These DEC members may solicit recommendations from any Camp Commander and then determine which nominee should be forwarded to the Division Awards Committee. Each nomination must be prepared on the “Division Lucy Pickens Award Nomination Form” and must be submitted to the Awards Committee Chairman no later than 15 April. The Division Awards Committee shall review the nominations and submit its recommendation to the Division Commander by 7 May.

Cost of Award: The cost of the award will be borne by the Texas Division.

Presentation: The award shall be presented by the Division Commander or the Division Awards Committee Chairman at the annual Texas Division Convention. If the recipient is not present at the Division Reunion to receive the award in person, the award should be presented by a Division or Brigade officer at an appropriate local ceremony.

Ladies Appreciation Award

While the Division Honor Award is more appropriate for most non-member contributors, the Ladies Appreciation Medal and certificate is a National award that should be considered for a lady who deserves even higher recognition in assisting in active support of camp functions and carrying out the missions of the SCV. This is not a national convention award; but it is a purchased award for presentation by the Camp, not one that is given at a National or Division Reunion.

Selection Process: Any SCV unit where the recommended lady resides may submit recommendations, with a detailed narrative outlining the service of the nominee, should be submitted to the Texas Division Commander and with his approval then, submit to the Executive Director at Headquarters for consideration thru the Executive Director at exedir@scv.org

LEADERSHIP OR STUDENT AWARDS

The SCV's *Leadership Awards* are intended to give the Camps of the Texas Division an opportunity to work with their local high schools, colleges, Junior and college ROTC, and the Boy Scouts, to make a favorable SCV impression on faculty and students alike. These awards are a very good public relations tool, at a small cost to the participating Camp.

“Surrender means that the history of this heroic struggle will be written by the enemy; that our youth will be trained by Northern school teachers; will learn from Northern school books their version of the War; will be impressed by all the influences of history and education to regard our gallant dead as traitors, and our maimed veterans as fit subjects for derision.” --- General Pat Cleburne, CSA

General Robert E. Lee Leadership Award

Purpose: The *General Robert E. Lee Leadership Award* is intended to give the Camps of the Texas Division an opportunity to work with the local high schools and colleges in their area that have JROTC and ROTC programs.

You will have many errors to forgive, many deficiencies to tolerate, but you will not find in me either a want of zeal or fidelity to a cause that has my highest hopes and most enduring affection."

- CSA President Jefferson Davis, Inaugural Address, Feb. 1861

"We feel that our cause is just and holy; we protest solemnly in the face of mankind that we desire peace at any sacrifice save that of honor and independence; we ask no conquest, no aggrandizement, no concession of any kind from the States with which we were lately confederated; all we ask is to be let alone; that those who never held power over us shall not now attempt our subjugation by arms."

- CSA President Jefferson Davis

"Nothing fills me with deeper sadness than to see a Southern man apologizing for the defense we made of our inheritance. Our cause was so just, so sacred, that had I known all that has come to pass, had I known what was to be inflicted upon me, all that my country was to suffer, all that our posterity was to endure, I would do it all over again."

- Jefferson Davis

Best Division Newsletter Award

Purpose: The *Best Division Newsletter Award* is presented to the editor of the Texas Division Camp publishing the best newsletter. Entries for this award shall be judged on format (including color, photos and graphics), news content (including current Camp, Brigade, Division and National news), historical content (including history of War for Southern Independence events, biographies of Confederate veterans, and review of applicable books), editorials and general interest.

Selection Process: Editors should submit copies of the 12 most recent issues for the year preceding the Division Reunion (usually April of the previous year through March of the current year) to the Division Awards Committee Chairman by 1 April.

- The preferred method is by providing a link to the Camp’s website if the website “posts” the previous year’s newsletter issues.
- Alternatively, a pdf format copy of each issue for the preceding year may be e-mailed to the Division Awards Committee Chairman for distribution to the rest of the Committee. (Care should be taken to not overload the system, so do not attach issues totaling more than about 10MB in a single e-mail. Use multiple e-mails if required.)

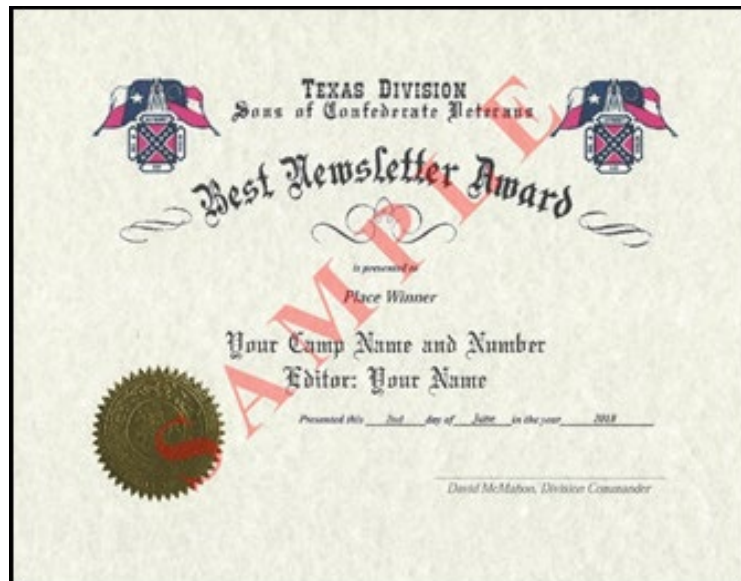

- Alternatively, three Flash Drives, each containing a copy of each of the previous year’s issues may be mailed to the Chairman.
- Alternatively, at least three hard-copies of each issue can be mailed to the Chairman. (If the original newsletter format is in “color,” and the submittal is going to be via “paper” (hard-copies), then at least one of the three copies must be in “color”.)

A good newsletter should be suitable for either camp members or prospective camp members. As a minimum, it should include a list of primary camp officer contact information, the time and place of monthly meetings, details of upcoming events, and summary of recent past events. Photos should be of good quality, reasonable size, and captioned to identify the event and (for small groups) the people shown. Camp officer editorials, significant Division and National news event, Confederate-related history, book reviews, etc. are encouraged. However, it should be kept short enough to maintain reader interest, not a large “monthly magazine”; recommend 8-20 pages. The Division Awards Committee will evaluate each issue of the newsletter, based on the designated criteria and arrive at a composite score for the Camp Newsletter. Camps will be ranked according to the composite score, with an award to the top three.

Form of Award: Certificates for First, Second and Third Place, one for each camp newsletter editor and a Purple Streamer for First Place

Cost of Award: The cost of the awards will be borne by the Texas Division SCV.

Selection Process: Camps or Brigades should notify the Division Awards Chairman by 1 May that they wish to enter their website into competition. Scoring will be based on generally recognized criteria for web site excellence. Websites should be up-to-date, attractive looking, relatively fast-loading, with easy navigation, and with the purpose of the site clearly understandable to a visitor. All pages should have title tags and navigation. Of course, valuable content is always a positive: information about the SCV for visitors, links to other useful sites, or features useful to members (upcoming events, ways to stay in touch, etc.) If a camp has both a web site and a newsletter, it is generally best to include the more static items on the website and the more current issues and future events in the newsletter.

While website designs are a very subjective issue, perhaps more guidance can be gained from looking at some negative impressions from past evaluations, looking at a variety of sites:

- Color combinations too splashy or gaudy (black, red, yellow, green)
- Text too hard to read (e.g., red text on black background)
- Font sizes too large, too small or too bold
- Font faces not consistent between pages
- Color scheme not consistent between pages
- Pages with no navigation, or way to get back
- Pages that are very slow to load or broken links
- Bad grammar or spelling, or lack of paragraph breaks
- Popup ads (while not specifically forbidden, they do not give a good impression)
- Sites that work in Internet Explorer, but not in other browsers (Firefox, etc.)
- Sites that obviously were created years ago and have had little or no update since

● (YEAR) TX DIV SCV BEST WEBSITE

Best Division Scrapbook Award

Purpose: The *Best Division Scrapbook Award* is given to the Camp maintaining the best record of its activities for the previous year, June-May. Entries for this award will be based on content, appearance, clarity, and applicability to Camp activities. “Homemade” scrapbooks with obvious creativity and individual effort are preferred over “professionally slick” covers and contents. Scrapbooks should be under one cover, not exceeding 100 numbered pages. Each scrapbook should contain as a minimum: Cover, Title Page, Table of Contents, current Camp Roster, Camp Events, Memorial Page (if applicable for recently deceased members), and Namesake Biography Page (as applicable for Camps named for a Confederate veteran or political official). Photos should be of good quality, reasonable size, and captioned to identify the date, event, and (for small groups) the people shown.

Number of Awards: First, Second, and Third Place awards shall be given annually, assuming sufficient award-quality scrapbooks are submitted.

Eligibility: Any Texas Division Camp maintaining an annual scrapbook.

Selection Process: Scrapbooks should be delivered with an Application for Best Division Scrapbook to the designated table at the Division Reunion registration by 7:00PM on the day before the Saturday Division Reunion Business Session. If that is not feasible, prior arrangements should be made with the Division Awards Committee Chairman. Any Scrapbook delivered after the 7:00PM cut off will be accepted and evaluated at the sole discretion of the Awards Committee. The Division Awards Committee will evaluate the entries based on the designated criteria of Cover, Content, Organization, Artistic Quality and Overall Effect and rank them accordingly, with an award to the top three.

Form of Award: Certificates for First, Second and Third Place and a White Streamer for First Place

Cost of Award: The cost of the awards will be borne by the Texas Division SCV.

Presentation: The *Best Scrapbook* awards will be presented at the annual Texas Division Reunion Banquet by the Division Awards Committee Chairman. Winning Scrapbooks will be displayed in a conspicuous Reunion location and must be picked up before the night's end.

SECTION 6: THE TEXAS DIVISION AWARDS COMMITTEE

Division Awards Committee Selection

The Texas Division Awards Committee Chairman shall be selected by the presiding Texas Division Commander. The remaining Committee members shall be nominated by the Division Awards Committee Chairman and shall be approved by the Texas Division Commander.

It is preferred that Committee members represent different Brigades. In any event, no Camp may be represented by more than one member on the Committee, unless that individual is a dual Camp member.

Duties of the Texas Division Awards Committee

The Awards Committee shall review and administer awards as defined herein, including Camp- and Brigade-level purchased awards. The Texas Division Award Committee shall be charged with the responsibility of disseminating information about all Division Awards. It shall update this Texas Division Awards Manual annually and assure that the current approved version is posted on the Division Web site. To the extent feasible, current nomination forms will be posted on Division web site. The Committee shall be responsible for the design, purchase and distribution of all Medals, Certificates, Streamers and other awards. The Chairman shall advise the Division Executive Committee of any new awards for approval or expenditures above normal operating expenses.

The Division Awards Committee Chairman shall assure that a reminder is posted on the Division e-mail distribution, including a copy of the Division Awards Calendar and indicating that award nominations are due, in a timely manner before the first deadline. Follow-up reminders will be posted as necessary, for both nominations and DEC voting.

The Committee shall encourage the nomination of deserving officers and non-officers from each Camp, as well as officers at the Brigade and Division level. Award nominations may be made by Camp, Brigade, and Division Commanders, as well as by members of the Division Awards Committee.

Only completed nomination forms, received in accordance with the Division Awards Calendar, will be assured consideration for that Reunion's awards. It is not the Committee's responsibility to research required information or rewrite nomination forms, so late nominations or incomplete forms will only be considered at the sole discretion of the Committee.

The Division Awards Committee shall make its award recommendations and announce the voting results to the Division Commander no later than 7 May. The Committee shall advise the Commander of all nominations made to which it does not concur. It may recommend that another medal or award be presented, other than the medal or award on the nomination. The Committee shall advise the Commander if a member has been nominated by more than one Compatriot, Camp or Brigade. The Awards Committee shall review all submitted National award nominations, to assure they meet the National criteria, before the Chairman forwards them to the Division Commander for his concurrence and submittal to National.

Nothing herein shall be construed to prohibit a Camp or Brigade Commander from awarding a Camp or Brigade-level *Texas Division Silver Cross for Meritorious Service* or the *Texas Division Bronze Cross for Meritorious Service*, or *Honor Award* if a nominated individual is rejected for the Division-level award.

Nothing herein shall prohibit a Compatriot from being awarded the same medal at the Camp, Brigade and/or Division-level in any given year. An individual SCV Compatriot shall be eligible to wear as many as three of the same medals if awarded separately by the Camp, Brigade and the Division, although one would normally wear only the highest award. However, a subsequent award at the same level shall consist of a star for the ribbon, in lieu of a second medal.

Once an award has been approved and presented, the recipient's Camp Adjutant is encouraged to make an appropriate entry on the Individual Awards Record Form (see Appendix I) and file it in the Camp personnel records. Alternatively, the Adjutant can maintain a composite data base of all Camp members and their awards. The Awards Committee shall maintain a data base of Division level Cross award recipients, as well as Appendix II of this Manual, which lists previous winners of major individual and Camp awards, especially the Deo Vindice, Confederate of the Year, Lifetime Achievement, and Lucy Pickens awards, which can only be given once to an individual.

Explanation of Terms

How criteria were established: Some factors are judged as positives, some as negatives, depending on whether or not the “average” camp is expected to meet those criteria. For example, all camps – not just the “best” camps—should have 100% of their dues paid on time. Therefore, the highest point value for this category is zero points; points are deducted in judging if dues have not been paid on time. However, not all camps would be expected to provide speakers to other camps. Therefore, this value is always a positive number, starting from zero and going up. Eligibility period for all categories is April 1– March 31.

1. **Membership Growth.** The key element of a camp’s survival. List your total membership as of last July 31 on line 1a. List the number of new members gained on line 1b. Do not include transfers from other SCV camps.
2. **Membership Retention.** List the number of members lost through non-payment of dues. Do not include losses due to death or transfers to other camps.
3. **Newsletters.** List the number of newsletters your camp published last year. Contributions to and support of a combined camps newsletter are considered the equivalent of a camp newsletter.
4. **Timely Submission of Dues.** All dues are past due after July 31. This date determines the points in this category. Both Division and National dues must be paid on time to score in this category. Points are deducted for each partial or whole month the dues are late. Paying camp dues is considered submitting payment for at least 75% of the current members of the camp.
5. **Attendance at Conventions.** Indicate the number of members who attended your Division Convention last year. Enter the number of members who attended the National Convention last year.
6. **Regular Monthly Meetings.** Indicate the number of regular monthly meetings conducted by your camp.
7. **Programs at Meetings.** Indicate the number of meetings in which your camp had a “featured” program. This could be a local author, speaker, historian, film on some WBTS subject, etc.
8. **Memorial Services.** These include graveside services at a local cemetery where Confederate soldiers are buried; services held as a special event at a local church or synagogue, or similar events. It does not include brief memorial events held during regular camp meetings, or attendance at memorial services conducted by other camps, UDC, etc.
9. **Annual Report.** The annual report is due at GHQ and Division not later than July 1. Check www.scv.org for the proper format.
10. **Division or National Project Participation.** Participation in a Division or National special project. Participation could include fund-raising or significant amounts of members’ time. Some examples: Stand Watie Scholarship Fund (National), Heritage Defense Fund (National/Division), Flags Across Texas (Texas Division), Confederate Legion (National). List each project.
11. **Local Project Participation.** These are special projects or events established at the camp level. Examples: school historical programs, recruiting at state fairs or gun shows, Confederate Ball or cotillion, etc. Projects must support SCV goals by advancing the cause of Confederate heritage; general community service projects are not acceptable.
12. **Speakers or Programs.** Did your camp provide a speaker or special program to another camp or organization? Examples: Camp members who give programs on WBTS at Civil War Round Table forums, or similar. List the number of such speakers/presenters, up to 3 speakers.
13. **Sponsorship.** Does your camp sponsor a special unit? Examples: Camp color guard that marches in local parades, re-enactor units, living history units, etc. The camp must actively sponsor these units.
14. **Training.** Did your camp conduct or participate in formal training for new camp officers? This is normally done at Brigade or Division level, but a camp can conduct its own program. The program must be established in writing, with formal presentations, and at least several hours spent on the training of each officer.
15. **Website.** Does your camp actively maintain a website? It must be regularly updated and provide basic, up-to-date membership to current members and potential applicants. If “yes”, show URL.
16. **Meeting attendance.** What percentage of your members regularly attends camp meetings? You should maintain a sign-up roster for each camp meeting.

Tie Breakers. In the event of a tie, the answers to the following two questions will be used to determine the winning camp. If a tie still exists, the camp with the highest percentage of positive growth will be the winner.

- A) Did the camp receive the 4-Star Camp Award last year?
- B) Does the camp maintain a Facebook Page? Provide the name of the page.

APPENDIX III:
**PROTOCOL FOR WEARING MEDALS,
DECORATIONS, BADGES AND INSIGNIA**

General Guidelines

The prestige and influence of the Sons of Confederate Veterans (SCV) depend largely upon the loyalty of its members. It is therefore deemed especially important that every member should display the official insignia of the SCV on all suitable occasions. Beyond that, wearing one's SCV insignia of office and individual awards is an individual decision. SCV members may also wear medals of the *Military Order of the Stars and Bars* in conjunction with their SCV medals.

This protocol has been prepared in order that members of the SCV may bring credit to the organization by the proper display of their SCV/MOSB medals and insignia. National SCV rules, as given in the current National *SCV Awards and Insignia Guide*, should be adhered to carefully when at a significant formal SCV function. For less formal occasions, including routine wear at Division and National Reunions, they can be considered "guidelines" rather than "hard-and-fast rules", but of course Compatriots are expected to display their medals in a respectful and professional looking manner at all times. While every member is responsible for wearing his medals and insignia correctly, it is also the responsibility of all SCV officers to encourage their members to wear all medals and insignia in an appropriate manner. A compatriot may wear all medals to which he is entitled, but most consider it poor taste to "look like a 3rd world general" with a chest full of medals. One is thus encouraged to limit himself to a reasonable selection of his highest awards and those of which he is most proud.

The SCV insignia and decorations worn vary with the type of dress, whether "formal" or "informal". On informal occasions when business suits, blazers or sport coats are worn, SCV Division and National officers may wish to wear neck ribbons to indicate past or present office. On such non-formal occasions, SCV custom has been to wear full size medals with business suits, blazers, or sport coats at SCV meetings.

At SCV formal occasions, where a tuxedo or dark suit and tie are indicated, miniature medals should be worn. At no time should full-size medals be worn with tuxedo, but members may wear full-size medals on a dark suit at formal gatherings.

Terminology

- Formal Dress - includes tuxedo or dark suit with tie
- Informal Dress - includes the business suit, the blazer jacket, and sport coat. Insignia are not worn on an overcoat.
- Award Medals – those worn by an individual through personal effort. Award Medals should only be worn at formal and semi-formal functions (banquets, reunions, memorial services, or similar occasions where the accepted wear is a suit, sports coat or Confederate uniform).
- Insignia Medal – Name tag and badges of office (Commander, Lt. Commander, Adjutant, etc.). Camp and Brigade officer insignia consists of the SCV membership medal, with the applicable office designation on top of the ribbon. The Division Commander's insignia consists of an SCV emblem attached to a neck ribbon. Division Commanders may add a distinctive emblem of their choosing to the neck ribbon to symbolize their particular state.

- Service Medal – medals given to groups for a particular service or participation, such as SCV Life Membership or Honor Guard, as well as reunion or other event commemorative medals. *{Note: the SCV War Service Medal is considered a National “Award”, not a “Service” medal.}*

Mounting of Medals on Clothing

On formal or informal attire which have breast pockets:

- Award Medals should be pinned just above the top edge of the left breast pocket, with no more than four full-size medals or five miniature medals in a single row. If more than one row of medals is needed, the medals should be evenly divided between upper and lower row. The upper row should overlap the lower, with the rows staggered slightly to allow a small amount of ribbon of the lower row to show. More than three rows are discouraged.
- Insignia Medals should be centered on the right breast, at approximately the same level.
- Service Medals should only be pinned on the lapels.

On Confederate uniforms or formal attire without breast pockets:

- Award Medals should be centered on the left breast, approximately 10” from the top seam.
- Insignia Medals should be centered on the right breast, at approximately the same level.

Service Medals should not be routinely worn on Confederate uniforms or formal attire, with three exceptions:

- The SCV Life Membership and/or Texas Division Crest may be worn, centered on the left breast and slightly above the Award Medals.
- An Honor Guard medal (National, Division, or Camp) may be worn on the right breast, at the same level and to the right of any Insignia Medal.
- An individual may choose to wear an event’s commemorative medal while at the event or when giving a report on the event back at his Camp, and then remove it thereafter. If worn, such an event medal should be mounted separately, below any Award Medals. In any case, all rows of medals should be above the top edge of the left breast pocket.

Precedence of Medals

Award Medals should be mounted just above the top edge of the left breast pocket, with the highest-ranking SCV National medal on the top row, inside, then proceeding to the wearer’s left. Next should come the Military Order of the Stars and Bars medals, and finally Division, Brigade, and Camp medals.

The complete ranking of SCV National Award Medals is given in the current *SCV Awards and Insignia Guide*, but the more common individual medals are ranked as follows:

- SCV Commendation Medal
- SCV War Service Medal
- SCV Membership Medal

At formal SCV occasions, medals from other heritage groups of which the wearer is a member are acceptable, but must be worn last, regardless of their ranking.

Insignia Medals should have the individual's highest office on the inside and then proceeding to the wearer's right.

Some Basic “Don’ts”:

- Don't mix miniature and full-size medals in the same grouping if practical. Since the SCV is moving toward standardization to all miniature size medals, members who desire to wear all earned medals have two options as follows: (1) once a member receives a miniature-size medal, he is encouraged to purchase and wear miniature versions in lieu of any previously awarded full-size Award Medals, so as to have a consistent set; or (2) to save inordinate personal expense, as of 01 Jul 2018, members are authorized to group and wear miniature medals above previously earned full-size medals. If a member chooses to mix miniature and full-size medals, they must be grouped according to size and precedence. The miniature medal groupings must also be properly located with and above similar full-size medal types – i.e. Award Medals above left breast pocket; Insignia Medals on right breast and Service Medals on lapels. Don't mix Award Medals, Insignia Medals, or Service Medals in the same grouping
- Don't wear Award Medals on informal outerwear. However, compatriots may wear a Confederate-style vest, with office insignia and a few selected medals, to warm-weather SCV meetings and events.
- Don't wear medals on a Confederate uniform during reenactments or similar events, where one is portraying a Confederate soldier in “battle dress”. Some medals may be worn during parades, cemetery ceremonies or other similar events, but one should use caution to not “over decorate”, with an appearance that distracts the audience to that individual, rather than the prime purpose of seeing all the SCV participants as a group, honoring our Confederate ancestors.
- Don't wear medals you didn't personally earn
- Don't wear non-SCV medals (except as noted above) to SCV functions
