MESSAGE FROM THE COMMANDER/CHAPLAIN

Hello all and welcome to the middle of August.

Although we have had a fairly cool summer overall Texas has definitely decided to remind us that this month is the hottest of them all. I hope everyone is staying cool and indoors when possible. As with every month, August keeps me very busy. Work is crazy, several birthdays this month, and I now officially have one child in college and one starting her junior year in high school. Time seems to just slip away.

Just wanna remind everyone to please remember to make time for the Lord. He loves hearing from us and really enjoys having a relationship with us. Pray to him and he will listen. Ask for guidance and he will deliver.

I missed last months meeting, so I'm excited to see everyone and get back into the groove again. The Comanche PowWow is right around the corner and that is always a great time. If you have not helped out with an event, this is the one to start with. Would love to see a few new faces helping out even if it was only for an hour or so. We have several other things to go over including the Texas reunion. I look forward to seeing everyone.

Until then,

God bless y'all and God bless Dixie

1st Lieutenant's Report

Greetings Compatriots,

I hated to have missed our last meeting but Brenda and I had a wonderful trip to Charleston S.C. for the National Reunion. Texas had the largest delegation there. I know Greg Goetz gave an excellent program on the H. L. Hunley, we actually got to see the Hunley while we were there.

We visited Fort Sumpter and the most awesome sight was that on the boat ride there we passed by Castle Pinckney island which is owned by the SCV. There in full sight was the 2nd National flying in all its glory.

We spent two weeks on the road visiting several amazing sites and museums. Like Dorthy said," There's no place like home". It sure is good to be back in Texas even with the heat. I'll be giving a full report of the reunion at our next meeting,

I look forward to seeing everyone again and may God bless you and may God bless Dixie.

SUMMER RAFFLE

PROCEEDS GO TO 2025 TEXAS DIVISION REUNION IN MINERAL WELLS

1851 Brass Frame Confederate Griswold & Gunnison

RETAIL VALUE

\$425

Pietta 1851 Confederate Navy Black Powder Revolver

This six-shot .44 caliber revolver was made under contract to the Confederate government. **It is a brass framed copy of the Colt 1851 Navy revolver.** Connecticut Yankee Samuel Griswold set up a cotton gin factory in Georgia in 1830. The village of Griswoldville grew around the factory. In 1862, Griswold produced pikes for volunteers from the state of Georgia. The factory soon began producing revolvers for the Confederacy. No other Confederate factory produced more revolvers than Griswold & Gunnison. Griswoldville was the first town burned by Sherman's troops on his march to the sea. This 1851 navy model features a brass frame, blued parts, brass backstrap and triggerguard, hexagon barrel, and a walnut navy size grip. ***A beautiful replica to add to your collection!***

Drawing will be held immediately following the January 2025 DEC meeting (Approximately Jan. 6, 2025). Winner will be notified by phone.

August in Confederate History

Culpeper County, VA | Aug 9, 1862

Battle of Cedar Mountain

Maj. Gen. John Pope was placed in command of the newly-constituted Army of Virginia on June 26th. Pope's orders were to defend Washington DC and Union-held northern Virginia while the Army of the Potomac under Maj. Gen. George B. McClellan battled Robert E. Lee outside of Richmond. When McClellan was defeated at the end of the Seven Days battles less than a week later, Lee turned his attention north toward Pope while McClellan regrouped his army. Pope's three army corps were arrayed in a line from the Blue Ridge Mountains to the Rappahannock River. Lee responded to Pope's dispositions by dispatching Maj. Gen. Thomas J. "Stonewall" Jackson with 14,000 men to Gordonsville towards the center of Pope's line. Jackson was later reinforced by Maj. Gen. A.P. Hill's division. On August 6th, Pope marched his forces south into Culpeper County with the objective of capturing the rail junction at Gordonsville. On August 9th, Jackson and Maj. Gen. Nathaniel Banks's Second Corps of Pope's army tangled at Cedar Mountain with the Federals gaining an early advantage. A Confederate counterattack led by Hill on the Union right repulsed the Federals and won the day. Confederate Brig. Gen. Charles Winder was killed. The battle at Cedar Mountain shifted fighting in Virginia from the Peninsula to Northern Virginia, giving Lee the strategic initiative.
